### **Paving the Way!**

Looking for a unique Christmas gift that keeps on giving? Do you want to memorialize or honor someone you love? Have the name of a child, grandchild or your name permanently lasered on an 8" x 8" brick paver for the new McLaughlin Center driveway.

We can provide a certificate for your holiday gift giving. Each brick can be engraved with up to 6 lines of text with 20 characters per lines (including spaces and punctuation).

The cost is \$100. This size brick can be easily identified and read as you stand above it. The bricks will be set in place in early March. Please fill out the form below and send it to the office along with your gift payment. Additional forms are on our website.
