## WHAT'S GOING ON HERE?

BY G. PATRICK KELLEY

**WHAT IS IT?** A new Sunday school building for St. Anthony/All Saints Parish at 1530 11th St. SE in Canton.

**WHAT DO YOU NEED TO KNOW?** The Rev. Thomas C. Bishop, parish pastor, said it's

being called a "stepping out in faith" project. The faith is that a fundraising campaign's \$335,000 goal will be met to pay for the project. "God is manifesting confirmation," Bishop said.

**WHAT DOES IT MEAN?** The parish has more than 200 children in religious education

between age 3 and 12th grade. "We need the additional room," Bishop said. Larger than 1,800 square feet, the building will hold two classrooms and a large storage area. It will be one of three buildings for the church's unique Sunday school program, Catechesis of the Good Shepherd, that teaches subjects such as the life of Christ, church history and how to worship, through Scripture passages. "We hope to be in it in February," he said.
