

On July 14 the Miraculous Medal sponsored a bus trip to Beachwood. First stop was for lunch at Corky and Lenny's Jewish Deli for sandwich and soup. Yum, Yum!!!! Matza soup and corned beef was wonderful.

Then on to the Maltz Museum of Jewish Heritage. We had a guided tour of the traveling exhibit: "Women of Spirit" and the Jewish Heritage section. Women of Spirit is a tribute to the Nuns who helped form the USA. They were strong, intelligent women who advocated for the people. They built schools, hospitals and orphanages and served the communities. This exhibit made you proud to be a Catholic woman. The Nuns had a positive influence on the growth and history of the USA.

The Jewish Heritage exhibit showed the influence the Jewish people had on technology, education, science, entertainment and business, even through persecution and adversity. The Jewish Religion exhibit displayed the traditions of the religion and had artifacts used in the services. You could see how the Jewish religion and Catholic are connected.

Last stop was at Legacy Village for shopping and partaking of food, beverage and cheesecake. Bargains were found!

There were 33 ladies and 3 gentlemen in attendance. We also enjoyed the company of 10 delightful ladies who were not from our Parish. What a beautiful day and great fellowship.

Stay tuned for the next trip announcement. As we were already talking about it on the way home. If you have suggestions for trips let us know.

*Miraculous Medal next meeting is August 2,
8:00 mass and breakfast meeting to follow.*
